

HEALTHY OCEANS ARE GOOD FOR THE ENVIRONMENT, OUR GUESTS, AND OUR BUSINESS.

That's why we aspire to achieve the highest possible standards of environmental and community stewardship. Because we strive to provide your guests with the best vacation possible, Celebrity Cruises® cares about making positive changes in the lives of our guests and employees, sustaining the environment, and making the world a better place.

Our Blue Green Promise is our renewed commitment to support resilient and sustainable ocean communities worldwide – a promise we will work to live up to every day.

Protect the Oceans we sail

- Since 2016, we have raised and donated \$8.4M for World Wildlife Fund ocean conservation programs.

Inspire Future Generations

- After a devastating earthquake, we built L'Ecole Nouvelle, a primary school in Haiti that provides an education for 310 children.

Empower the communities we visit

- Our program is providing \$500,000 USD in grants and low-interest loans to small businesses and entrepreneurs in the Bahamas.
